

## Setup Driver for FireNEX-10G

1. Open Control Panel. Open "Device Manager"
2. Find **ASMedia USB 3.1 eXtensible Host** in USB device tree

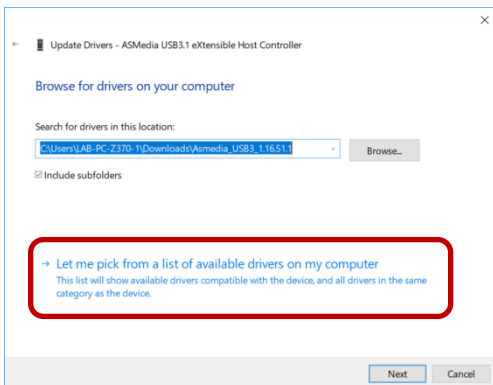

3. Right click and select **Update driver**

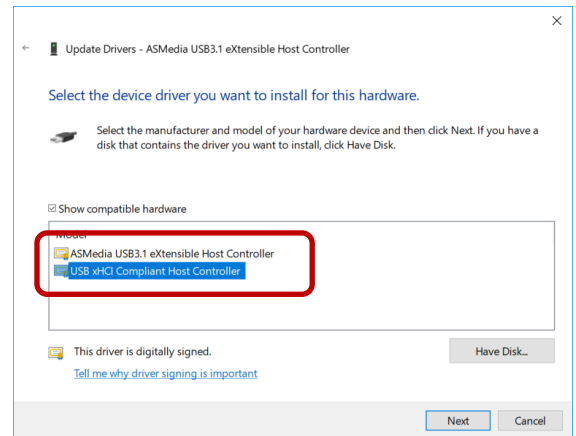

4. Select **Browse my computer for driver software**

5. Select **Let me pick from a list of available drivers on my computer.**

6. Choose **USB xHCI Compliant Host Controller** instead of the ASMedia USB 3.1 eXtensible Host Controller

### Verify if the correct driver is installed

1. Make sure the driver has **Microsoft** at the end of the device name
